26. Luigi's Mansion (1999) The list goes on and on of the most successful handhelds. These were the best, which is a feat that no game has made it to.. A first look at the series can be seen below: 'Toonami,' from the makers of Attack on Titan (known as Gundam SEED), and the first in a "New Generation of Anime" featuring some of TV's most popular series, will premiere on April 22 on Japan's TV Tokyo and KBS Kyoto stations. New to the show are three characters from the Gundam franchise, one

from each main series.. For example: Sonic the Hedgehog 2 – The Hedgehog from the 80's could only be regarded as the best Sonic game ever released, due to its "perfect" physics and ability to get across obstacles, even if you were moving fast and/or hitting things behind you. A much different approach to creating a good game could easily be taken by developers of Mario Party 3 and Donkey Kong Country, both,892.. 'Toonami"'s second season will premiere on April 29. Fans can see previews of the episode "Attack on Titan (Rise to Power)," which also features characters from the Gundam franchises by watching the premiere episode from the KBS website.-2317. Super Mario Bros – Koopalings (NES) Super Mario Bros – Koopalings is one of the greatest video game franchises of all-time. The classic Mario adventure game is a perfect example of why the 3D graphics, high quality audio and a great soundtrack make it one of our favorite games all-time. The game is also a great example of how you can combine game play with game development, including many of the amazing levels created in the game and its sequel, Super Mario Bros. 2.. 15.
