The film, which released on 5 August 2000, did not perform well at the box office. It is the debut film of Govinda. It also features Sushmita Sen, Sanjay Dutt, and Shreeram Lagoo. This film is a remake of the 1998 Telugu film Kaadhalari. Plot Sankalp follows the life of an honest young man, Ram Shekhar, who is a devotee of Goddess Kali. One day, the goddess has a vision about Ram Shekhar, and she demands that he lead a life of celibacy until she bestows a perfect man in his life. His guru believes that this is a sign from the goddess to find a perfect partner for him, so he agrees. When Ram Shekhar finally finds the perfect man, his childhood friend Sachin Singh, he finds out that Sachin is gay, and the two break up. The goddess then bestows her chosen one to Sachin, and Sachin decides to get married to his girlfriend, Raima. Ram Shekhar is also upset at this, but gets over it. The goddess decides to bring them together to fulfill her vision. She does so, but no one realizes this. Ram Shekhar and Sachin start living together, and are happy with their lives. Then Raima, who is pregnant, comes to know that Ram Shekhar is gay and is jealous of Sachin. She starts to spread lies about them in society, causing the two of them to break up. Ram Shekhar gets married to the goddess, who bestows on him her most perfect form, and Sachin and Raima reunite. Sachin is now in love with his wife and decides to marry her, thus ending their friendship. Ram Shekhar is heartbroken, but the goddess says that Ram Shekhar will meet a man who will fill his heart with love. After many trials, the goddess brings Ram She 82157476af
